When researching the available jobs for your chosen career, please pay close attention to the educational requirements. Does it require that you have a Certificate, Diploma, or an Associates or Bachelor's degree? Knowing this will help you determine exactly what educational level you would be required to have for this particular job. In addition to the education requirements, keep in mind the location of any employment opportunities. Are jobs in your chosen career/program available within a reasonable commute (30-40 miles one way) of your residence? Yes No Are you willing to relocate? No Some programs, careers or employment opportunities will require a background check and/or drug screen. Do you have any issues that would prohibit you from successfully completing a background and/or drug screen? No Please remember that the Georgia Mountains Workforce Development only assists with one (1) program of study or major and it must be completed within 104 weeks (2 years) or less. This includes all classes (regular/provisional), internships and/or clinical periods. Once a program of study has been selected, changes will not be allowed unless it is to downgrade to a lesser program of study (i.e. Degree to a Diploma). This must be reviewed by the Case Manager and is done on a case-by-case basis. So please research and choose wisely. INSTRUCTIONS: COLLECT INFORMATION ON A MINIMUM OF 5 JOBS THAT YOU WOULD BE QUALIFIED FOR AFTER THE COMPLETION OF TRAINING. PRINT AND ATTACH COPIES OF THESE JOB ANNOUNCEMENTS TO YOUR WORKSHEET.
